

LIBERATION OF OPPRESSED PEOPLE

LOOP empowers youth, families, and justice impacted communities through education, opportunity, resources and community support.

Mission

LOOP provides youth, families, and justice impacted communities with education, stable housing, essential resources, and meaningful opportunities that create pathways to independence and lasting success.

WHAT WE DO

Education and Youth Development

Academic support, entrepreneurship education, financial literacy, mentorship and enrichment opportunities.

Housing and Stability

Safe, stable housing and supportive services that help individuals and families move toward independence.

Reentry Support

Resources and practical support for justice impacted individuals rebuilding their lives and returning to their communities.

Family and Court Support

Community based support for families navigating courts, incarceration and other systems.

Transportation and Family Connection

Transportation that helps families stay connected to incarcerated loved ones and access essential services.

Community Resources and Opportunity

Resources, partnerships and opportunities that promote long term stability and growth.

LOOP Summer Academic and Entrepreneurship Camp

A free six week summer program for 20 youth combining academic enrichment, financial literacy, entrepreneurship, real world business exposure, and hands on learning.

Students will develop a business idea, create a business plan and budget, build their brand, participate in educational field trips, source materials, pitch their ideas, receive startup support, launch their businesses and sell their products at LOOP Youth Business Expo.
