COURT & FAMILY SUPPORT

LOOP supports individuals and families navigating the justice system by providing court support, access to resources, and community based assistance throughout challenging legal processes.

VISITATION TRANSPORTATION

LOOP provides transportation to prisons and county jails, helping families overcome travel barriers and stay connected with their incarcerated loved ones through in person visits.

REENTRY

LOOP supports individuals returning home after incarceration by connecting them with resources, services and opportunities that promote stability, independence, and successful reintegration into the community.

HOUSING

LOOP is working to expand access to safe and stable housing for individuals and families facing housing barriers, with supportive services designed to promote long term stability and independence.
